

GRACE PERIOD FOR
INSUFFICIENT MEAL
CARD OR ACCOUNT
BALANCE

A student who uses a prepaid meal card or account to purchase his or her school meals will be allowed a grace period to continue to purchase school meals up to an amount of \$15.00. The District will allow the meal card or the account to accumulate a negative balance with no fees or interest applied to the account.

The student will not be allowed to purchase a la carte items or extra items during the grace period.

When the grace period has ended, the student will be served an alternate meal by food service staff or the student will need to eat breakfast before coming to school and bring a lunch from home.

NOTIFICATION

The parent or guardian will be notified in writing within five days when the student's meal card or account balance is exhausted.

REPAYMENT

The District will establish a schedule for repayment.
