

Menard ISD is committed to Supporting students instructionally while at home. This will come in a variety of ways depending on the grade level and the course. We are doing this in an attempt to file for waivers so that students do not have to attend school during the summer.

On Tuesday, March 17, 2020, Teachers will have learning packets ready for you to pick up for your child/children. These packets will be a review of skills that have been taught up to this point in the year. Please come by the school between 11:30-12:30 to pick up your child/children's packet. Someone will be waiting curbside to hand them out. NO lunches provided Tuesday.
