

As per the Governor of Texas, Menard ISD will be closed but providing home based learning through April 3rd. We will provide meals as previously listed on Mondays and Thursdays of the two week window at the elementary & junior high. We will have packet drop off and pick up March 24th and March 31st at your child's campus.

UIL has suspended all activities until May the 4th.

Menard ISD will need to postpone prom to follow the new guidelines.

Thanks to all of you for the continued effort for our school, students, and community. This is all changing, and we are in uncharted waters so flexibility and working together will be the key.
